Satisfaction Surveys

We want to hear from you! We are excited for this year’s surveys as these will be our first independent satisfaction surveys. We are looking forward to your feedback. Please help us serve you as best we can by filling out this year’s surveys. Your answers will be used as we plan for 2024 to improve YOUR home!

We will be working with residents & loved ones to assist with completing surveys October 2nd – October 17th. If you have any questions or require assistance, please reach out to any member of the recreation department and we would be happy to help in any way we can!

Our New Process for Labelling Clothing

We have implemented a new process for items that require labels. There is now a beige bin with brown lid located behind the reception desk, in the left corner. There you will find the instructions on the top of the bin, required labels and clear bags needed. You are asked to complete the label, place the item, and label both inside the provided clear bag, tie it securely and place inside the bin.

Please ensure that you are using this new process for all items entering the home that require labelling.

If you have any further questions, please reach out to...
